Subject: RE: continuation of draft EPA-FDEP MOA discussion

All,

Attached are Alexis' and my edits; we have completed our review and this is good to go on our end.

Alexis tweaked the ESA language, and I made just a few cleanup edits. If any of my edits pose problems, feel free to reject. The only substantive edit I made was the following (see sentence below); I added "and Florida will handle this information" to ensure that EPA is not governed by Florida law. I remember this came up a few years ago; if this issue has been raised and settled already and my edit is not acceptable, I defer to others.

(1) All of the information EPA transfers to FDEP will be provided subject to the procedures and limitations of 40 C.F.R. § 233.3 and **Florida will handle this information** pursuant to applicable Florida law.

I will be out of pocket until 3, and back online then; Alexis will be unavailable until 4:30.
